POULTRY

Sourcing

Most of our free-range poultry is from **Woolley Park Farm, Bradford on Avon**. Here, the birds roam freely in the Wiltshire countryside, are traditionally dry-plucked and then hung for 3-14 days in cold rooms. This process helps preserve the natural texture and enhance the superior flavour of the bird. All birds supplied include giblets.

Choosing a Bronze or White Turkey

Both are delicious, the bronze has a slightly more intense flavour and the white has a slightly more subtle flavour – the choice is yours!

Weight

We recommend approx. half a kilo per person, depending on appetite, age and leftovers required. Please refer to the conversion table below to check the size you require.

Please write the **desired weight** on the order form and indicate if you would like the product a little over (+) or a little under (-) in the right hand box as the weights can never be exact.

POULTRY CONVERSION TABLE

Kg	Lb	Servings
2	4lb 6oz	4
3	6lb 10oz	6
4	8lb 13oz	8
5	11lb	10
7	15lb 7oz	14
8	17lb 10oz	16
10	22lb	20+

Bronze Turkeys

A bronze turkey may have a few black feather quills left in the bird. They are harmless and any that may be left will shrivel up during cooking. Do not try removing them with tweezers on Christmas day, there are many more exciting and important things to be doing!!

which will be included with your order. Please contact us if you would like to obtain verbal allergen information 01225 873707.

We make every effort to ensure all products are in stock. However, if an item you require is not available, we will let you know and offer a substitute product. Weights are approximate, products will be cut and weighed as near as possible to the specified amount.

To maintain optimum condition of the produce we use a sustainable, chilled insulated packaging system that guarantees fresh food to remain at <5° for up to 24hrs. Hampers and meat boxes contain fresh produce, please refrigerate immediately after delivery. Please note; the responsibility for the refrigeration of fresh items lies with the recipient.

Hamper baskets are made from the highest quality willow, secured with leather straps, and finished with ribbon bow and label. They are fully lined with Woolcool® – a by-product made from abundant, sustainable sheep's wool, and an eco-friendly packaging solution that offers outstanding temperature control. It is biodegradable and compostable, which will release valuable nitrates back in to the soil.

Fresh Meat Boxes are made from sustainable recyclable cardboard that will stand up to the rigours of couriers. They are also fully lined with Woolcool® for optimum temperature and quality control.

***Thank you for your
support throughout the
